

Welcome

We would like to take this opportunity to thank you for choosing York Swimming Academy. This letter contains useful information to help you make the most of our service. Swimming is our passion, and our aim is to share this with as many people as possible. We hope everything goes well in your first lesson and would love to hear your feedback, especially if you think we can improve our service!

Using Our Facilities (Archbishop Holgate's School, Hull Road)

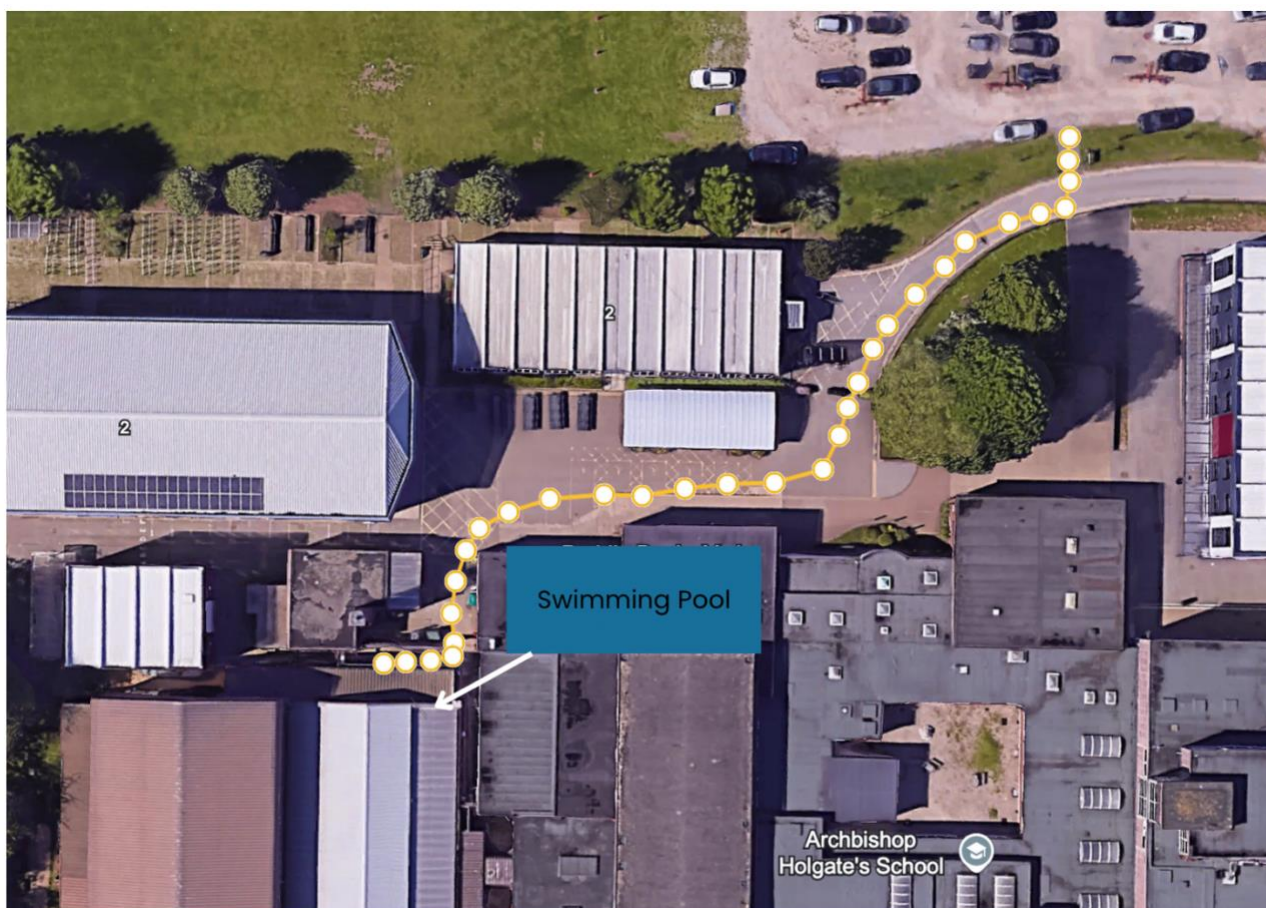

Please use postcode YO10 5ZA or the following google maps link:

<https://maps.app.goo.gl/DRrhA8yXTuc9AuPL6>. There is generous unlimited free parking available on site.

Please take care on the road up to the car park as it is narrow and there are often school children on the premises.

Making your way to the pool...

The pool is a short walk from the car park. Walk along the front of the school past the main reception and until reach 2 black gates. Travel through the gates and bear right and you will reach the pool hall entrance on your left. Please note there is another entrance near the outside changing rooms. We request this entrance is not used.

Getting ready to swim...

To minimise crowding on poolside we ask that you **arrive no more than 5 minutes** before the scheduled start time of your child's lesson. **Please arrive at the pool beach ready** with swimming kit on underneath easy to remove clothing such as a tracksuit or onsie. **Please bring your shoes and all of your belongings with you to the spectating area** to ensure the changing rooms are kept clear.

During the lesson...

There is a viewing area situated on poolside. As seating is quite limited, we ask that **only 1 parent attends per child**. We recommend that you bring your child's clothes/belongings with you, so that nothing goes missing from changing rooms whilst your child is having his/her lesson.

Changing Rooms

In the interests of safeguarding, please ensure adults are not entering the opposite gender changing rooms under any circumstances. Children over the age of 8 must get changed in their respective gender changing room.

Member Hub

We are proud to implement the Member Hub system. This online portal acts as your own personal hub to provide a more efficient interface as your child progresses through our academy. Your Member Hub allows you to monitor your child's progress and view the awards they have achieved in their lessons. If you have trouble activating or accessing your Member Hub, please do let us know. The easy to remember link for accessing Home Portal is as follows: <https://yorkswimmingacademy.swimphony.io/member/login>, please save this as a favourite in your browser.

Photography

Unfortunately, we do not allow photography of any kind during any of our swimming lessons. We ask that all parents/ guardians respect this and do not take photographs or videos of their child learning to swim. We do, however, like to celebrate the success of our learners by posting photographs of them receiving certificates to our social media pages for your friends and family to like and share. We will seek your permission before doing so.

Social Media

Don't forget to follow us on social media to keep up to date with the latest news and announcements. We would appreciate it if you could 'Like Us', 'Follow Us' and 'Share' some of our posts with your friends and family.
