

Welcome

We would like to take this opportunity to thank you for choosing York Swimming Academy. This letter contains useful information to help you make the most of our service. Swimming is our passion, and our aim is to share this with as many people as possible. We hope everything goes well in your first lesson and would love to hear your feedback, especially if you think we can improve our service!

Using Our Facilities (Carr Junior School Pool, York)

Please use postcode **YO26 5QA**. There is a free to use car park available on site for weekend lessons, with limited spaces, other parking is available on the street (Ostman Road). Once you enter the school site, go through the green gate on the left of the main building and walk along the path keeping the field on your left hand side. The entrance to the pool building is up the set of stairs and through the double doorway on your right at the end of the path, before the second set of green gates which lead to the school field.

Please be aware, **swim hats are mandatory** at this venue for swimmers over the age of four. We don't stipulate that it must be a York Swimming Academy hat, but you can buy one from us for just £5.00 should you wish.

Home Portal

We are proud to implement the Home Portal system. This online portal acts as your own personal hub to provide a more efficient interface as your child progresses through our academy. Your Home Portal allows you to monitor your child's progress, 'top up' (make payment for) swimming lessons and select your child's new class when they have successfully completed the outcomes required to move to the next stage of the learn to swim program. If you have trouble activating or accessing your Home Portal, please do let us know. The easy to remember link for accessing Home Portal is as follows: <https://yorkswimmingacademy.courseprogress.co.uk/login> , please save this as a favourite in your browser.

Photography

Unfortunately, we do not allow photography of any kind during any of our swimming lessons. We ask that all Parents/ Guardians respect this and do not take photographs or videos of their child learning to swim. We do, however, like to celebrate the success of our learners by posting photographs of them receiving certificates to our social media pages for your friends and family to like and share. We will seek your permission before doing so.

Social Media

Don't forget to follow us on social media to keep up to date with the latest news and announcements. We would appreciate it if you could 'Like Us', 'Follow Us' and 'Share' some of our posts with your friends and family.

York Swimming Academy

@yorkswimmingacademy

@YorkSwimAcademy

Thanks again for choosing York Swimming Academy. We are delighted to have you with us and hope you enjoy our service.

Yours sincerely,

James Richards

Director

York Swimming Academy Ltd.
